**LOCAL/STATE BOARD FACILITIES HEARING NO.1 REPORT**

A Local/State public hearing was held at the Augusta Independent Board of Education office on August 7, 2008 at 5:30 PM. The purpose of the public hearing was to propose a new District Facility Plan developed by the Augusta Independent Local Planning Committee. The Local Planning Committee (LPC) voted 9-0 in favor of the proposed new plan and the Board voted 5-0 to approve the new plan.

There were no persons at the hearing exclusive of John Cordle, who served as the locally appointed hearing officer.

**COMMENTS**

John Cordle called the meeting to order at 5:30 PM. Since no persons were in attendance and no written comments had been submitted, the meeting was adjourned following the reading of the agenda and the reading of a plan summary into the minutes. Mr. Cordle continued to stay at the meeting site in case anyone was running late, but none arrived.

**RECOMMENDATIONS**

It is recommended that the new District Facility Plan developed by the Augusta Independent Local Planning Committee and adopted by the Augusta Independent Board of Education be approved as the District Facility Plan for Augusta Independent Schools. A copy of the new plan is attached.

Respectfully submitted,

John Cordle, Hearing Officer
